Greetings, Worshipful Master, Wardens, and Brethren all:

We would like to take this opportunity to remind you of our request, reference the "PAWS" and More for Pathways program at the Ohio Masonic Home.

As you know this year, our Grand Master, M.W.B. Terry W. Posey, and his wife, Cheryl, have started a program to help raise money for the Pathways Center for Alzheimer's Care at the Ohio Masonic Home. They have first-hand knowledge of what Alzheimer's is and its effect on a loved one. M.W.B. Posey's mother was a resident at Pathways. While there, M.W.B. Posey's family saw how pet therapy, gardening, and therapeutic motion could be of help to patients with Alzheimer's.

With the forecast that more than 12 million Americans will have Alzheimer's by the year 2025, they feel it necessary to spotlight this great facility.

We are asking that in the months of March and April your Lodge take up a collection for The "PAWS" program. You can send your donation to the FMDOA, and one check will be written on behalf of our District.

Please help these patients and this great program. We would like to thank you for your kind support.

Fraternally and sincerely,

RWB. Charles W. Black, RWB. Keith L. Clepper, RWB. Edward C. McIntyre
